The Walk-In Ministry is shared by five participating downtown churches who serve on a rotating basis as the "church of the week" every five weeks. The churches each have their own unique ways of ministering to the poor, but generally the focus is on providing food and other help.

When First Presbyterian Church of Pittsburgh is the church of the week, we serve approximately 200 homeless and low-income people Monday through Friday. Our guests come primarily from the downtown area. The Walk-In ministry provides our clients with a hot lunch, groceries, emergency bus transportation, and sometimes help in avoiding housing evictions or utility shutoffs. Annually, we distribute more than five tons of food and related items.

This past year we started *"Fresh Produce Fridays"* where we offer fresh fruits and vegetables to our guests. This has become a very popular part of the Walk-In ministry. We are excited to see that in some cases our ministry has gone full circle, as several of the guests whom we serve have become Walk-In volunteers. Kind and loving volunteers from our congregation coordinate this ministry. They work together as a team to provide the care and love many of our guests need.

If you'd like to donate to this amazing ministry, please send your check, payable to "First Presbyterian Church of Pittsburgh", to 320 Sixth Avenue, Pittsburgh, PA 15222. (Indicate "Walk-In Ministry" in the memo field).
